Dear Louise

Re: Broadbridge Heath Parish Council
Internal Audit for Financial Year Ended 31 March 2025 – Final Audit report

Executive summary

Following completion of our final internal audit on 5th June 2025 we enclose our report for your kind attention and presentation to the council. The audit was conducted in accordance with current practices and guidelines and testing was risk based. Whilst we have not tested all transactions, our samples have where appropriate covered the entire year to date.

Our report is presented in the same order as the assertions on the internal auditor report within the published Annual Governance and Accountability Return (AGAR). The start of each section details the nature of the assertion to be verified. Testing requirements follow those detailed in the audit plan previously sent to the council, a copy of which is available on request. The report concludes with an opinion as to whether each assertion has been met or not at this point in the year. **Recommendations for action are shown in bold text and are summarised in the table at the end of the report.**

Some assertions, as noted in this report, were tested at the interim internal audit completed during the financial year and the council should review all internal audit reports for the year before completing the Annual Governance Statement.

Our sample testing did not uncover any errors or misstatements that require reporting to the external auditor at this time, nor did we identify any significant weaknesses in the internal controls such that public money would be put at risk.

It is clear the council takes governance, policies and procedures seriously and I am pleased to report that overall, the systems and procedures you have in place are fit for purpose and whilst my report may contain recommendations to change these are not indicative of any significant failings, but rather are pointers to improving upon an already well-ordered system.

It is therefore our opinion that the systems and internal procedures at Broadbridge Heath Parish Council are well established and followed.

Regulation

The Accounts and Audit Regulations 2015 require smaller authorities, each financial year, to conduct a review of the effectiveness of the system of internal control and prepare an annual governance statement in accordance with proper practices in relation to accounts. In addition to this, a smaller authority is required by Regulation 5(1) of the Accounts and Audit Regulations 2015 to “undertake an effective internal audit to evaluate the effectiveness of its risk management, control and governance processes, taking into account public sector internal auditing standards or guidance.”

Internal auditing is an independent, objective assurance activity designed to improve an organisation’s operations. It helps an organisation accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control and governance processes. The purpose of internal audit is to review and report to the authority on whether its systems of financial and other internal controls over its activities and operating procedures are effective.

Internal audit’s function is to test and report to the authority on whether its specific system of internal control is adequate and working satisfactorily. The internal audit reports should therefore be made available to all Members to support and inform them when they considering the authority’s approval of the annual governance statement.

Independence and competence

Your audit was conducted by Tracey Euesden of Mulberry Local Authority Services Ltd, who has over 35 years’ experience in the financial sector with the last 16 years specialising in local government.

Your auditor is independent from the management of the financial controls and procedures of the council and has no conflicts of interest with the audit client, nor do they provide any management or financial assistance to the client.

Engagement Letter and inherent risk assessment

An engagement letter was previously issued to the council covering the 2024/25 internal audit assignment, which includes the scope and plan of works and fee structure. Copies of this document are available on request from anna@mulberrylas.co.uk

In summary, our work will address each of the internal control objectives as stated on the Annual Internal Audit Report of the AGAR.

It is our opinion that the inherent risk of error or misstatement is low, and the controls of the council can be relied upon and as such substantive testing of individual transactions is not required. Testing to be carried out will be “walk through testing” on sample data to encompass the period of the council year under review.

Interim internal audit recommendations

Audit Point	Interim Audit Findings	Council comments
B. FINANCE REGULATIONS, GOVERNANCE AND PAYMENTS	Based on the level of financial activity of the council, and through discussion with the Clerk, these authorisation thresholds appear appropriate although the council may wish to consider increasing the Clerk's authorisation limit within FR 4.1 to a higher figure based on their experience level.	I note that the NALC model Financial Regulations were reviewed and Adopted by the Council at it's meeting in Dec 2024.
C. RISK MANAGEMENT AND INSURANCE	The policy includes Public Liability and Employers Liability cover of £10 million each and a Fraud & Dishonesty (Fidelity Guarantee) level of £250,000. The balances of all accounts at the time of the audits is in excess of this figure and council may wish to review the level of Fidelity Guarantee to ensure that it is fully protected.	The council resolved to increase the level of Fidelity Guarantee to £750,000 at it's Finance and Establishment Committee meeting on 27 th January 2025.
G. PAYROLL	The council has two employees in total although it is noted that a third will commence employment with the council shortly. The existing staff members have a signed contract of employment, based on a NALC template but it is not the current model and I would suggest and the council considers updating this so that all members of staff have the same terms and conditions of employment.	I note that the matter of employment contracts was delegated to the personnel committee to review.

A. BOOKS OF ACCOUNT

Internal audit requirement

Appropriate accounting records have been properly kept throughout the financial year.

Audit findings

Testing conducted at the interim internal audit.

B. FINANCE REGULATIONS, GOVERNANCE AND PAYMENTS

Internal audit requirement

This authority complied with its Finance Regulations, payments were supported by invoices, all expenditure was approved, and VAT was appropriately accounted for.

Audit findings

Testing conducted at the interim internal audit.

C. RISK MANAGEMENT AND INSURANCE

Internal audit requirement

This authority assessed the significant risks to achieving its objectives and reviewed the adequacy of arrangements to manage these.

Audit findings

Testing conducted at the interim internal audit.

We discussed assertion 8 on the Annual Governance Statement and whether this had any impact on the council.

“We considered whether any litigation, liabilities or commitments, events or transactions, occurring either during or after the year-end, have a financial impact on this authority and, where appropriate, have included them in the accounting statements.”

The Locum Clerk confirmed that they were not aware of any event having a financial impact that was not included in the accounting statements.

D. BUDGET, PRECEPT AND RESERVES

Internal audit requirement

The precept or rates requirement resulted from an adequate budgetary process; progress against the budget was regularly monitored; and reserves were appropriate.

Audit findings

Testing conducted at the interim internal audit.

The year-end budget report shows income reported as 96% of budget and expenditures also at 96%, suggesting that the budget has been accurately set and carefully monitored throughout the year. There is evidence within the minutes of meetings that councillors regularly receive budget reports for review, providing them with sufficient financial information to make informed decisions.

At the end of the financial year, the council held circa £98,000 in earmarked reserves, spread across a range of clearly identifiable projects, including amounts received from Community Infrastructure Levy (CIL) which are identified separately. I checked the purpose of these earmarked reserves with the Clerk and am satisfied they are all for legitimate future planned projects of the council.

The Joint Panel on Accountability and Governance (JPAG) Practitioner's guide provides updated guidance on the appropriate level of general reserves that councils should retain as below:

5.33. The general reserve of an authority comprises its cash flow and contingency funds to cover unexpected inflation, unforeseen events and unusual circumstances.

5.34. The generally accepted recommendation with regard to the appropriate minimum level of a smaller authority's general reserve is that this should be maintained at between three and twelve months of net revenue expenditure.

5.35. The reason for the wide range is to cater for the large variation in activity level between individual authorities. The smaller the authority, the closer the figure may be to 12 months expenditure, the larger the authority, the nearer to 3 months. In practice, any authority with income and expenditure in excess of £200,000 should plan towards 3 months equivalent general reserve.

5.36. In all of this it is important that each authority adopt, as a general reserve policy, the level appropriate to their size, situation, risks and plan their budget so as to ensure that the adopted level is maintained. Consideration of the minimum level of reserves requires not only consideration of level of income and expenditure but also the risks to that income.

5.37. Authorities with significant self-generated income (other than the precept or levy) should take into account situations that may lead to a loss in revenue as well as increased costs and adapt their general reserve accordingly.

The general reserve balance at the end of the financial year is circa £93,500, which is within the recommended range.

E. INCOME

Internal audit requirement

Expected income was fully received, based on correct prices, properly recorded and promptly banked; and VAT was appropriately accounted for.

Audit findings

Testing conducted at the interim internal audit.

F. PETTY CASH

Internal audit requirement

Petty cash payments were properly supported by receipts, all petty cash expenditure was approved, and VAT appropriately accounted for.

Audit findings

The council has no petty cash and the testing for this internal control objective does not apply.

G. PAYROLL

Internal audit requirement

Salaries to employees and allowances to members were paid in accordance with this authority's approvals, and PAYE and NI requirements were properly applied.

Audit findings

Testing conducted at the interim internal audit.

I reviewed the total figure being included within box 4 (staff costs) on the Annual Governance and Accountability Return (AGAR) and was able to confirm from the accounting software that this includes only salary payments, HMRC payments and pension contributions.

H. ASSETS AND INVESTMENTS

Internal audit requirement

Asset and investments registers were complete and accurate and properly maintained.

Audit findings

Testing conducted at the interim internal audit.

I confirmed the asset register total matches that included in box 9 (total fixed assets plus long term investments and assets) on the AGAR and was able to trace the changes to the previous year's total against the asset register. I confirmed by sample testing of the invoices that items added during the year has been accurately recorded as the original net purchase price.

The council has borrowing through the Public Works Loan Board (PWLB) and I was able to confirm the figures for in year payments (box 5) and year-end balance (box 10) against the payments made and PWLB statement.

The council has no long-term investments.

I. BANK AND CASH

Internal audit requirement

Periodic and year-end bank account reconciliations were properly carried out.

Audit findings

Testing conducted at the interim internal audit.

J. YEAR END ACCOUNTS

Internal audit requirement

Accounting statements prepared during the year were prepared on the correct accounting basis (receipts and payments or income and expenditure), agreed to the cash book, supported by an adequate audit trail from underlying records and where appropriate debtors and creditors were properly recorded.

Audit findings

The council, at its meeting to sign off the year-end accounts, must discuss Section 1 of the AGAR (Annual Governance Statement) and record this activity in the minutes of the meeting.

COUNCIL IS REMINDED THAT THIS MUST BE A SEPARATE AGENDA ITEM PRIOR TO THE SIGNING OF SECTION 2 OF THE AGAR (ACCOUNTING STATEMENT).

Audit findings

The year-end accounts have been correctly prepared on an income and expenditure basis with the box 7 and 8 reconciliation completed

This shows year-end debtors of £14,124 and year-end creditors of £2,807

The AGAR correctly casts and cross casts and last year's comparatives match the figures submitted for 2023/24 and published on the council website.

The variance analysis has been completed and, in my opinion, provides sufficient financial and narrative information to explain the variances to the External Auditor **Although the council may wish to explain the 27% increase in precept On the variance analysis.**

K. LIMITED ASSURANCE REVIEW

Internal audit requirement

IF the authority certified itself as exempt from a limited assurance review in 2023/24, it met the exemption criteria and correctly declared itself exempt. (If the authority had a limited assurance review of its 2023/24 AGAR tick "not covered")

Audit findings

The council did not certify itself exempt in 2023/24 due to exceeding the income and expenditure limits and this test does not apply.

L: PUBLICATION OF INFORMATION

Internal audit requirement

The authority published the required information on a website/webpage up to date at the time of the internal audit in accordance with the relevant legislation

Audit findings

For councils with a turnover over £25,000, it is recommended best practice to follow the Local Government Transparency Code 2015, but not a statutory requirement and therefore not subject to verification during the internal audit.

All councils are required to follow The Accounts and Audit Regulations which include the following requirements:

13(1) An authority must publish (which must include publication on that authority's website)

- (a) the Statement of Accounts together with any certificate or opinion entered by the local auditor in accordance with section 20(2) of the Act; and
- (b) the Annual Governance Statement approved in accordance with regulation 6(3)

13(2) Where documents are published under paragraph (1), the authority must

- (a) keep copies of those documents for purchase by any person on payment of a reasonable sum; and
- (b) ensure that those documents remain available for public access for a period of not less than five years beginning with the date on which those documents were first published in accordance with that paragraph.

I was able to confirm that pages 4 (Annual Governance Statement), 5 (Accounting Statements) and 6 (External Auditor's Report and Certificate) of the AGAR are available for review on the council website for financial years 2019/20 to 2023/24 inclusive.

M: EXERCISE OF PUBLIC RIGHTS - INSPECTION OF ACCOUNTS

Internal audit requirement

The authority has demonstrated that during summer 2024 it correctly provided for the exercise of public rights as required by the Accounts and Audit Regulations.

Audit findings

Testing conducted at the interim internal audit.

Inspection – key dates	2023/24 Actual	2024/25 Proposed
Date AGAR signed by council	3 rd June 2024	24 th June 2025
Date inspection notice issued	4 th June 2024	25 th June 2025
Inspection period begins	5 th June 2024	26 th June 2025
Inspection period ends	16 th July 2024	6 th August 2025
Correct length (30 working days)	Yes	Yes
Common period included (first 10 working days of July)	Yes	Yes

I am satisfied the requirements of this control objective were met for 2023/24, and assertion 4 on the Annual Governance Statement can therefore be signed yes by the council. I was able to confirm that the proposed dates for 2023/24 meet the statutory requirements.

N: PUBLICATION REQUIREMENTS

Internal audit requirement

The authority has complied with the publication requirements for 2023/24. Under the Accounts and Audit Regulations 2015, authorities must publish the following information on the authority website / webpage.

Before 1 July 2024 authorities must publish:

- *Notice of the period for the exercise of public rights and a declaration that the accounting statements are as yet unaudited*
- *Section 1 - Annual Governance Statement 2023/24, approved and signed, page 4*
- *Section 2 - Accounting Statements 2023/24, approved and signed, page 5*

Not later than 30 September 2024 authorities must publish:

- *Notice of conclusion of audit*
- *Section 3 - External Auditor Report and Certificate*
- *Sections 1 and 2 of AGAR including any amendments as a result of the limited assurance review.*

It is recommended as best practice, to avoid any potential confusion by local electors and interested parties, that you also publish the Annual Internal Audit Report, page 3.

Audit findings

I was able to confirm that the Notice of the Period of Public Rights and Section 1 (Annual Governance Statement) and Section 2 (Accounting Statement) were published on the council's website before 1 July 2024.

I was able to confirm that the Notice of Conclusion of Audit and External Auditor Report and Certificate were published on the council's website before 30 September 2024.

The council has therefore met the publication requirements for 2023/24 have been met.

O. TRUSTEESHIP

Internal audit requirement

Trust funds (including charitable) – The council met its responsibilities as a trustee.

Audit findings

Testing conducted at the interim internal audit.
