**Wishing all residents a very
Happy New Year**

Christmas 2022, was the first Christmas formally working from the Parish Office.

Councillors and staff enjoyed an informal festive meet in person for the first time in 3 years.

Pictured are (l-r)
Vice Chair,
Christine Knight,
Chair,
Terry Oliver,
Councillors Sarah Chandler, Geoff Clark,
David Trangmar,
Debbie Lambert and
David Trangmar.

As we enter a New Year the Council will continue to develop the Office as a community asset holding the monthly Council meetings which we would encourage residents to attend to hear about current parish activity. It will also host other community events; some detailed on our subsequent pages. All meeting dates can be found on our Website. The first Full Council Meeting for 2023 is scheduled for Monday 6th of February at 7.30pm.

Enforcement cameras go live to help bus travel in Broadbridge Heath

An enforcement camera has been installed to try and deter drivers from using bus lanes in Broadbridge Heath village.

The installation is a new approach to tackling a localised traffic management issue .

A two-way bus gate system was introduced in Broadbridge Way in 2019 and alterations were made in 2021 to support bus travel as a sustainable mode of transport, which formed part of the planning application to divert the original A281 traffic on to the newly-constructed A264. However, a significant number of drivers ignored the “bus only” signage, and highways officers have since been working with the parish council, district council and police to try to find a solution.

This is the first County Council led (as opposed to developer-led) bus gate enforcement site. Warning notices, rather than Penalty Charge Notices (PCNs), are currently being issued to give fair warning of the new enforcement regime. The start date for PCNs to be issued is now imminent.

Taking measures to support sustainable transport options is reflected as one of the four priorities in [Our Council Plan](#) – helping to create a sustainable and prosperous economy.

COULD THIS BE YOU IN 2023?

Are you passionate about your community? Do you want to help make a long-lasting change? Do you have innovative ideas for the council? Do you have concerns about a specific issue and want to do something about it?

If this is you, then we need you.

We need people from all backgrounds and experiences who reflect their community to put themselves forward for election.

Make a change and become a councillor.

YOUR VILLAGE

NEEDS YOU!
