PARISH COUNCIL UPDATE

Monster Play Park—Village Centre Recreation Field

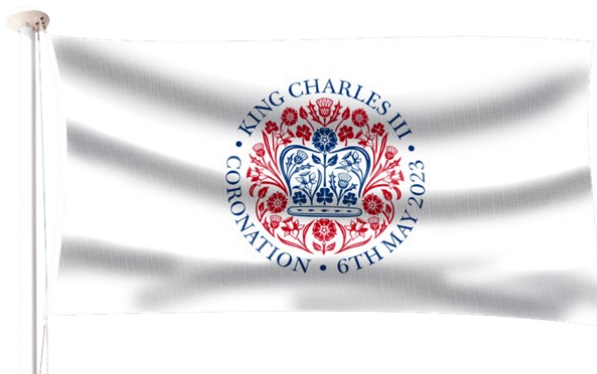

We are pleased to share provisional dates have been scheduled for the installation of the new Monster Play Park to replace the existing play area at the Village Centre Recreation Field.

Works are planned to commence at the end of May, but may be subject to change due to the ground conditions etc.

We will share further details on our Facebook page and Website page with some design images nearer to the installation date.

This project was unfortunately delayed due to unforeseen circumstances but we hope you share our excitement as we approach the final stages.

The King's Coronation

New commemorative flags will be flown on the village flagpoles to mark the occasion.

Some Councillors will be supporting the BBH Gala Associations "Coronation Big Lunch" picnic at the Village Centre Recreation Field, on Sunday 7th May from midday. We hope to see many of you celebrating! Fingers crossed for some May sunshine!

Wildflower Corridors

3 areas have been sown with more Wildflower seeds this Spring, including the Common Poppy and Cornflower.

As highlighted in the recent Sir David Attenborough series, Wild Isle, there are many benefits to wildflowers protecting and supporting nature in our community.

Thank you to David & Roo for their help sowing the seeds.
