Community Survey Results

Thank you to all residents who completed our community survey. The survey was closed on the 4th September and the results will be used to help develop and deliver the Parish Council Action Plan 2023-2027, which will be agreed by council over the coming months and published, along with the survey results.

Maintenance

You may have noticed several of the older benches in the village have been sanded and treated ahead of the Winter months. The cut and collect of Broadbridge Way was carried out in September. This is carried out to remove the rank grasses and to allow further growth of the perennials. A further cut and collect may be scheduled for the Spring. Grass-cutting season is now coming to a close.

Remembrance

Permission is being sought to put up the Street Poppies again this year. Look out for further details of the village service at St John's Church on Sunday 12th November.

Volunteering

We do have opportunities for volunteering in the village. If you are interested please do drop us an email admin@broadbridgeheath-pc.gov.uk

Councillor Vacancies

The Council has Councillor vacancies. Full Council meetings are normally held the first Monday of the month. If you are interested in finding out more please do come long to a meeting or alternatively email for more information.
