## **Monster Playpark**

We were delighted to open the new Monster Playpark at the Village Centre in late July. The official opening event was a huge success and it is wonderful to see the new equipment being enjoyed by so many children!

Aesthetically, there are areas which unfortunately, due to the summer season, will not look at their desired level until later in the year but we hope you appreciate our priority to get the play area opened in time for the summer holidays.

Work is in progress to install a further bin but please do take rubbish home, if you can, when the current bin is full.

## Community Survey

In our recent Community Survey we asked if residents would be interested in subscribing to receive digital newsletters by email. 79% responded "Yes", so this will now be considered by the Parish Council. Please look out for further news on our website and through our Facebook page.

Full feedback from the survey will be shared with the community in the Autumn.

Although the survey is now closed, we warmly invite all residents to continue to provide feedback on our services and activities by email or via our website.

**The Council currently has Councillor vacancies.**

**If you are interested in becoming a Parish Councillor or would like any more information please do get in touch via email or come along to one of the Council meetings.**
