Dear Mr Wordsworth

Appeal reference: APP/Z3825/W/23/3321658.

On behalf of Broadbridge Heath Parish Council, I would like to confirm our support for the decision taken by Horsham District Council as our Local Planning Authority, in objecting to application reference: DC/22/1052, this relating to land at Lower Broadbridge Farm, Broadbridge Heath, West Sussex, RH12 3GP.

We believe that, in addition to the restrictions placed upon the area by Natural England that being their requirement to ensure water neutrality as part of any approved development, as the Local Planning Authority Horsham District Council have identified the reasons why this application should be refused and subsequently not allowed at appeal.

Although we have decided not to apply for Rule 6 status, this should not be taken as a sign that as a Parish Council we are in any way not continuing to strongly object to the above application and indeed for the record wish to reconfirm our objections as outlined in our original submission to Horsham District Council.

Thank you for your consideration of the above comments.

Yours sincerely

REDACTED

Lucinda Edwards

Clerk, on behalf of Broadbridge Heath Parish Council
