1. Introduction

The Freedom of Information Act grants to members of the public rights of access to all kinds of recorded information held by a wide range of public authorities. Information about the Act is available from the Information Commissioner's Office at www.ico.gov.uk.

The Act requires every public authority to adopt and maintain a generic model publication scheme which should be adopted and operated by all public authorities from 1 January 2009. Broadbridge Heath Parish Council adopted the generic model publication scheme at their Council Meeting on 9th May 2022. It is intended to provide everyone interested in the Council with a comprehensive guide to the information that the Council will automatically or routinely publish or otherwise makes available to the public.

5. COMPLAINTS PROCEDURE

The Council would normally expect the Clerk or a named officer to understand what information you have asked for and be able to tell you where you can find it. If the information you receive is not what you asked for or need, you should first contact the Clerk or named officer. If the information is not available you will be told why.

If you believe that the Council has not dealt with your request fairly and cannot deal with it satisfactorily on an informal basis, you should follow our complaints procedure. You can get details of this procedure from the Clerk (details as above) or visit the Council Regulations page on the Website.

If you have followed our complaints procedure and are still not happy with how we have dealt with your request, you may also contact the Information Commissioner to ask them to investigate this matter further.
